1. Are you in My spirit or am I in yours? I pondered and I said "both, Lord." Thou hast answered correctly. Now what comes forward and comes forth are those who know this truth. **You are in Me and I am in you, we are all together one: one blood, one family, I Am, you are I Am.** Have I said it so many ways that you were tired of it? Please, no. Restrain yourself from My repetition not. **Allow Me to speak, allow Me to speak, to re-emphasize, to re-declare, to re-interpret you to you, about who you are, where you came from, what you are, what you are here to do, what you are here to have, how you are to operate and how you are to live and breathe and have your being in My big world, not your little world, in My constellaxionary. See Me and what I have just said.**
2. I love you and I give you Me and I give you laughter. **I give you the laughter you have always wanted, the laughter you have cried for, the joy of being one, one with Me, one with your spouse, one with My body.** I love you.
3. That which you have cried for now comes forth visibly, in tangible reality, visible already before your eyes: sinew of tangible-ness, tangibility of sinew. See Me in what I have said. See Me in sinew, no doubt to My sinew; real, true, fountaining My blood in your veins. I love you.
4. Go forth and know that presidents royal now seek your counsel, seek My counsel through you, through My Mighty Many coming forth, royal-ized by Me; those who I think royal, those who I deem royal, those who I judge as royal, those who want Me, not afraid of Me, timid-not ones coming forth from the foray, stepping out, stepping in, into Me coming unafraid. I love you. My unafraid ones coming forth, stepping out, stepping in, stepping up. I love you.
5. **I give you Me and all that I am you are**. I love you. I give you Me and I withhold nothing. I have given you My authority, My power comes forth as I speak to submitted ones, meekness ones, meekness'd ones, who drink offering'd are. I love you.
6. My repetition love and never forget. Think it not strange that I repeat Myself for I say so many things so often so many ways. I ask and I call, I beg and I repeat. I emphasize and I repeat. I speak and I repeat and I connect so often where many miss Me.
7. Think it not strange you sit on leather, sofas pretty, vases ornate, woodwork lovely. I love you.
8. I give you Me and I give you **campus quarters, campus quarters** of only Me, **campus quarters** of only Me to raise up Me, to raise Me up in strength and metal not, but infrastructure of only Me, My Spirit, demonstration of My Spirit and power coming forth in tenacity, visibly, visibly'd. I love you. I give you Me and I give you **quarters** of

only Me. **I give you quarters of Me to replete be and expand My Mighty Many force coming forth, My army, My people into Tulsa and cities many now**, coming forth in droves. See them and see what I have said and what I am saying. I am giving you **quarters**, I am giving you **quarters** now as campuses you construct. **Master prototyping Me into Mine** in ways many, forms and fashions, multiple scalering, multiplicity of sectors, converging in interplaner geometry being only Me;

9. **My forces coming together; My grace, My mercy, My non-negotiables bought into; embraced, known, breathed, loved, eaten, scorned not; eaten daily by My classes, My class room instructors, My class directors, My students who direct and classes make forming the steel, forming the steel and every class succeeding, succeeding in every class, succession being masterminded to be greater than they.** I love you.
10. **MasterSpirit of only Me.** I am Me and I come forth as pure gold; pure, purity and transformity, transparency, translucent not. I love you. I give you Me, transcending time and space, bar none. I love you and I give you answers now into My communion, My cup. My cup runneth over now, My cup runs over with glory, mercy and grace and answers that you seek, for inquisitiveness draws near, draws nigh, becomes greater and pulls more and more out of Me at My request. I love you.
11. I love you and I give you Me as you at My knee now stay more hours each day, mornings, afternoons, evenings some. I love you as you give yourself so much, so much more to Me, to do Me, to be Me, to do as I say, to be as I am, to Me be, being Me and Me being to others who come forth now in grace, mercy and glory. I love you and I thank you. Glory be. Mercy be. Me be. Thank you.
